

If you're looking for a lotion that'll do more for your body in 2021, it's the perfect time to try CBD-infused lotions. CBD comes from the hemp plant, which is known for producing marijuana. Don't worry though—CBD has none of the psychoactive properties of weed. In fact, it's mostly known for its anti-inflammatory, anti-bacterial, and moisturizing qualities—and the beauty market is definitely taking advantage of it for these exact qualities. CBD products have been on the upswing for years. At this point, it seems like any product you can think of already exists in a CBD-infused variety. There are even CBD superstores ready to supply their customers with an endless amount of options. However, one of the most popular CBD topical products is [Highline Wellness CBD reviews](#) lotion. CBD lotion is a multi-faceted product that provides any user with a volley of benefits. From helping fight the signs of aging to applying the long-lasting, discomfort quenching, properties of CBD, CBD lotion is a great choice for anyone.

[external frame](#) Depending on the manufacturer, the CBD formulas therein can be designed to soothe and nourish your skin or provide topical pain relief for acute and chronic complaints. The biggest headache of the CBD lotion scene is the overwhelming amount of options that a buyer has to choose from. Starting off with our number one pick, Uncle Bud's CBD Body Revive Gel Gold Box sets the bar for pain relief products. Uncle Bud's Hemp has earned a good reputation over the years for high-quality products, and their lotion is no exception. This maximum strength product is designed to ease the discomfort of aches and pains. It's used by simply applying the gel wherever it's needed, such as a joint, muscle, or achy forehead. The gel is not only soothing for internal aches, it promotes skin health at the same time with ingredients such as aloe. You'll get vitamins A, D, and E with each application.

The 4 oz. package can be easily stowed in a bag or desk drawer for fast relief when you're away from home. We appreciate how quickly the gel absorbs into the skin, so you're not left with a greasy feeling or clothes that stick to the area of application. Some similar products go overboard with the fragrance, but the CBD Body Revive Gel has found the ideal balance. It has a pleasant coconut scent that doesn't overwhelm the nose. To top it all off, this item's value is impressive compared to many lotions on the market. 29.99 for 4 ounces. Charlotte's Web is a big name in CBD products, and they're well-liked for their all-natural approach. In products such as their Arthritis Aches & Pain Relief Cream, you'll find familiar ingredients with pronounceable names. This cream is designed to provide relief to arthritis symptoms in particular, relieving joint pain and stiffness.

You'll want to look elsewhere to treat other ailments. It's also limited by its application area—the instructions only recommend applying Arthritis Aches & Pain Relief Cream to the hands. This is a strong solution and with a \$29 price tag it won't break the bank. However, note that you're getting less lotion and less CBD for your dollar than you would with some other products. 29.00 for 1.7 ounces. With Joy's Organics CBD cream, the CBD lotion buyers of 2021 have a quality option for keeping their skin healthy and glowing. They boast a combination of carefully-selected ingredients and a broad spectrum [CBD oil](#) that work together to provide skin with health-promoting nutrients. As a secondary effect, it may reduce muscle tenseness. One of Joy's Organics strengths is their documentation. Any product they sell has easily-found lab reports verifying the product's legitimacy from a third-party source. This is a general use lotion, focusing more on skincare than easing any discomfort.

But you'll still want to use only small amounts. Joy [organic cbd's](#) [CBD Cream](#) comes in bottles of only one ounce, so the price adds up fast. 32.95 for 1 ounce. 250mg of CBD oil. Peppermint and lavender don't sound like a natural combination, but the relaxing scent of Penguin CBD Cream has turned its buyers into fans. This is a cream rather than a lotion or a gel, so the texture is thicker. While it contains as much CBD as other products on this list, the cream is designed for skincare rather than targeting pain reduction. Whatever your goal, it absorbs quickly and [Highline Wellness CBD reviews](#) creates an immediate and pleasant cooling sensation. We find that this is one of the more expensive

options, but it's still worth noting. Penguin is a smaller company than some of the others mentioned, so they're an interesting CBD source to watch as they continue to build their reputation. CBD cream for skincare. 55.00 for 4 ounces. [external site](#)
